About Indian Society for Training and Development (ISTD)

The Indian Society for Training & Development (ISTD), established in April 1970, is a national level professional & non-profit society registered under the Societies Registration Act, 1860. It has a large membership of individuals and institutions involved in the area of training and development of Human Resources from Government, Public and Private Sector Organisations & Enterprises; Educational and Training Institutions and other Professional Bodies. The Society is affiliated with the International Federation of Training and Development Organizations (IFTDO), Geneva. <https://www.istd.in/>

About ISTD Student Chapter SVCE

The ISTD Student Chapter at Sri Venkateswara College of Engineering (SVCE) was inaugurated on 23 February 2023 with the support of the college management and the guidance of the Principal. The chapter is dedicated to nurturing students through initiatives that enhance technical knowledge, communication skills, leadership capabilities, professional competencies, and cultural awareness. To effectively plan and execute its activities, the chapter functions through five specialized wings (Design, Content, Outreach, Technical, and Events), providing students with opportunities for holistic development and industry exposure.

During the academic year 2025–2026, the chapter successfully conducted 5 student development programs at SVCE and actively participated in 7 HR-focused monthly discussion meetings organized by the ISTD Chennai Chapter across Chennai. The chapter also represented SVCE at the ISTD Chennai Chapter Annual Conference 2025, themed “Redefining Future Talent – Empower, Evolve, Excel,” held at the Madras Management Association (MMA), Chennai. Through these initiatives, the chapter trained and benefited over 300 students, further strengthening its commitment to professional and personal development.

MEMORANDUM OF UNDERSTANDING

BETWEEN

Sri Venkateswara College of Engineering
(Hereinafter referred to as "SVCE")
AND

The Indian Society for Training & Development, Chennai Chapter
(Hereinafter referred to as "ISTD Chennai Chapter")

Copy to Hanish
Principal
Sri Venkateswara College of Engineering
Ponnalur, Sriperumbudur Tl-602 117
Tamilnadu, India.

Page 1 of 5

This Memorandum of Understanding ("MoU") is made and entered into on this 17th day of March 2025, by and between:

1. **Sri Venkateswara College of Engineering (SVCE)**, an autonomous institution established in 1985, located at Pennalur, Sriperumbudur Taluk, Kanchipuram District, Tamil Nadu, India.
2. **The Indian Society for Training & Development (ISTD), Chennai Chapter**, a professional and non-profit society registered under the Societies Registration Act, 1860, located at Chateau D'Ampa, IVth Floor, No. 37, Nelson Manickam Road, Aminjikarai, Chennai - 600029, Tamil Nadu, India.

PURPOSE

This MoU aims to renew and reinforce the academic collaboration between SVCE and ISTD Chennai Chapter for a period of two years, effective from the date of signing, to promote education, training, research, and advocacy for mutual benefits.

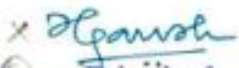

A. ORGANIZATIONAL PROFILES

1. Sri Venkateswara College of Engineering (SVCE)

SVCE is a premier self-financing institution offering undergraduate and postgraduate programs in Engineering and Technology. The institution is affiliated with Anna University, Chennai, approved by AICTE, accredited by NAAC, and received autonomous status in 2016. Its vision is to be a leader in Higher Technical Education and Research, transforming learners into global achievers.

2. The Indian Society for Training & Development (ISTD), Chennai Chapter

ISTD, established in April 1970, is a national-level professional body affiliated with the International Federation of Training and Development Organizations (IFTDO), Geneva. It facilitates human resource development through training, education, and professional development initiatives across various sectors.

Principal
Sri Venkateswara College of Engineering
Pennalur, Sriperumbudur Tk-602 117
Tamilnadu, India.

Page 2 of 5

B. TERMS AND CONDITIONS

The parties agree to collaborate under the following terms:

1. ISTD SVCE Student Chapter:

- o The renewal of the ISTD SVCE Student Chapter shall provide students with opportunities to enhance their technical knowledge, leadership, communication, critical thinking, and analytical skills.
- o The ISTD SVCE Student Chapter shall facilitate networking, career guidance, and business acumen for entrepreneurship and global awareness.
- o SVCE Students from various engineering departments will be eligible for membership in the ISTD SVCE Student Chapter.

2. Partnership Initiatives:

- o ISTD Chennai Chapter will assist SVCE in organizing guest lectures, seminars, and field visits.
- o ISTD will provide resources and support to help students secure internships and placements in suitable organizations.
- o SVCE will provide infrastructure for ISTD Chennai Chapter's activities, including monthly meetings, conferences, and training programs.
- o Both parties will monitor the progress of activities under this MoU and provide periodic feedback.
- o ISTD will issue certifications to students participating in relevant programs under this collaboration.

3. Use of Logos:

- o Both SVCE and ISTD Chennai Chapter will be entitled to use their respective logos in promotional materials related to this collaboration.

4. Independence:

- o This MoU does not restrict either party from entering into similar agreements with other organizations, institutions, or governing bodies.

x 
Principal
Sri Venkateswara College of Engineering
Pennalur, Siperumbudur Tk-602 117
Tamilnadu, India.

Page 3 of 5

C. FINANCIAL ARRANGEMENTS

- This MoU does not impose any financial liability on SVCE.
- Each party shall bear its own expenses related to the activities conducted under this MoU.
- In cases where specialized programs are designed exclusively to meet specific student requirements, both parties may mutually agree on a cost-based structure to ensure the quality and sustainability of such initiatives.

D. LIABILITY

- Neither party shall be liable for any loss or damage suffered by the other, except in cases of gross negligence or intentional misconduct.

E. LEGAL RELATIONSHIP

- This MoU is a statement of mutual intent and does not create any legally binding obligations or rights.
- No legal partnership or joint venture is established through this agreement.

F. GENERAL COORDINATORS

- For SVCE: The Principal, Sri Venkateswara College of Engineering.
- For ISTD Chennai Chapter: The Chairman, ISTD Chennai Chapter.

G. DURATION, RENEWAL, AND TERMINATION

1. This MoU shall remain in effect for **two years** from the date of signing.
2. The MoU may be renewed upon mutual agreement of both parties.
3. Either party may terminate this MoU by providing a **three (3) month prior written notice** to the other party, ensuring that ongoing activities are not adversely affected.

Event Brochure – Inauguration of ISTD Student Chapter Activities 2025–2026

The ISTD Student Chapter inaugurated its activities for the academic year **2025–2026**

with a one-day program titled “*Presenting You: The Art of Self-Marketing – From Campus to Career: Building Your Interview Skills.*” The event brought together students, faculty members, and invited guests, creating a platform focused on career readiness and professional development.

The program began with a **prayer song**, followed by a **Welcome Address by Dr. S. G. Bharathidasan**, Professor of EEE and Student Chapter Coordinator, who welcomed the gathering and highlighted the objectives of the event.

The **Annual Report** of the Student Chapter was presented by **Mr. Sriram A, Final-year EEE student and President of the Chapter**, outlining the key activities and achievements of the previous year along with plans for future programs aimed at supporting student growth.

The **inaugural address** was delivered by **Ms. S. Rajalakshmi, Chairperson of ISTD Chennai Chapter and HR Consultant**, who shared insights from her professional journey. She emphasized the importance of communication skills, interview preparation, and continuous skill development for students aspiring to succeed in their careers.

Prof. S. Muraleedharan, Chief Placement Officer, encouraged students to become industry-ready by strengthening their technical knowledge, particularly coding, and gaining practical exposure through projects and laboratories. **Dr. N. Kumaratharan, Head of the ECE Department**, also addressed the students and highlighted the importance of skill development in the rapidly evolving technological landscape.

During the event, **Dr. S. G. Bharathidasan introduced the newly appointed office bearers of the ISTD Student Chapter**, and badges were presented to them, marking the official commencement of the chapter’s activities.

The technical sessions included a talk by **Mr. Guru Gokul** on “*How to Prepare for Interviews,*” where he highlighted the importance of technical skills, communication, internships, and personal branding. Students were also encouraged to utilize platforms such as LeetCode, GitHub, and Coursera for continuous learning.

The program also featured a **Senior Experience Sharing Session**, where senior students shared their placement preparation strategies and practical experiences.

The event concluded with a **feedback session and Vote of Thanks**, expressing gratitude to the speakers, organizers, and participants for contributing to the success of the program.

Detroit, USA.

**Ms. Bhagya Sree Agravaram Saravana, Data & Application Analyst,
Lawrence Technological University, Detroit, USA.**

The **ISTD Chennai Chapter**, in collaboration with the **SVCE Student Chapter**, organized an online session titled “*Structuring Success: As a Data Analyst.*” The session was delivered by **Ms. Bhagya Sree Agravaram Saravana, Data & Application Analyst at Lawrence Technological University, Detroit, USA.**

During the session, Ms. Bhagya Sree shared a clear and practical understanding of what the role of a data analyst truly involves. Drawing from her professional experience, she explained that data analytics is not just about using tools, but about solving real-world problems through logical thinking and effective communication. She encouraged students to build strong foundations in **SQL, Python, Excel, and data visualization**, while also developing the ability to interpret data and present insights in a way that others can understand and act upon.

Using examples from industries such as **healthcare, finance, and technology**, she demonstrated how data analytics plays an important role in supporting decision-making within organizations. These real-world examples helped participants connect what they learn in the classroom with how data is actually used in industry.

She also shared practical guidance on building a career in data analytics. Students were encouraged to work on **meaningful projects, gain hands-on experience through internships, and continuously strengthen their analytical thinking and communication skills**. She emphasized that the ability to solve problems and clearly communicate insights with data is just as important as technical knowledge.

The session concluded with an **interactive Q&A**, where participants asked questions about learning resources, project ideas, and career pathways in data analytics. Students appreciated the speaker’s honest advice and practical insights, which helped them gain a clearer understanding of the field.

Overall, the session provided valuable insights into the evolving world of data analytics and helped students gain greater clarity and confidence as they plan their academic and professional journeys.

3.TITLE: “Beyond Books : The Psychology Of Success”

The poster is for a webinar titled "BEYOND BOOKS: THE PSYCHOLOGY OF SUCCESS". It features a woman, Ms. P. Cokilavani, on the right side. The background is a mix of green and white with a subtle pattern of dots. At the top left, there are logos for SVCE (Sri Venkateswara College of Engineering) and ISTD (ISTD Chennai Chapter). The title "BEYOND BOOKS: THE PSYCHOLOGY OF SUCCESS" is in large, bold, green letters. Below the title, it says "SPECIAL WEBINAR" in white text on a green banner. A green box on the left contains the "Topic Overview" with a list of bullet points: "The power of focus", "Friendship as fuel", "The path to fulfillment", "Balancing mind and meaning", and "Mindset to achieve goals". Below this, a microphone icon is next to the speaker's name "P. COKILAVANI" and her credentials "M.Sc Psychology, PGDGC". At the bottom, there are two boxes: one with a calendar icon and the date "November 8, 2025", and another with a clock icon and the time "07:00 pm - 08:00 pm". Below these boxes, it says "CLICK ON THE LINK TO JOIN THE MEET" and provides the Google Meet link: "https://meet.google.com/ddh-xsny-uof".

Ms. P. Cokilavani, a specialist in career development and mental health

On 8th November 2025, the ISTD Chennai Chapter, in collaboration with Sri Venkateswara College of Engineering, organized an engaging webinar titled **“Beyond Books: The Psychology of Success.”** The session aimed to shift students’ focus beyond

academic performance and technical knowledge toward the psychological foundations of success, including mindset, motivation, emotional balance, and self-awareness. Led by **Ms. P. Cokilavani, a specialist in career development and mental health**, the webinar provided valuable insights into how psychological strength complements academic learning and supports both personal and professional growth.

The session commenced with an introduction to the importance of inner development, where Ms. Cokilavani emphasized the role of focus, clarity, and purposeful thinking in achieving meaningful goals. She highlighted how supportive relationships contribute to emotional stability and motivation, and explained that true success is rooted in self-awareness and value-driven living. Through relatable examples, she guided students to understand how resilience, stress management, and a balanced mindset influence decision-making and long-term career development, encouraging participants to adopt a growth-oriented perspective.

Building on these concepts, the session explored practical frameworks and tools for self-development. Ms. Cokilavani introduced the Johari Window model to enhance self-awareness and explained the motivation cycle, demonstrating how needs evolve into actions and achievements. She emphasized the importance of setting SMART goals and shared practical strategies such as focusing on progress over perfection, continuous learning, and maintaining a positive environment. A significant part of the session addressed mental health awareness, where she discussed common challenges such as stress, anxiety, and depression, along with their symptoms and impact. She also introduced the Circle of Control, Influence, and Concern as a tool for managing uncertainty and concluded with actionable coping strategies including mindfulness, physical activity, healthy routines, and seeking support when needed.

The webinar witnessed active participation, with students engaging in reflective discussions and relating the concepts to their own academic and personal experiences. Participants appreciated the clarity and relatability of the session, noting that it helped them better understand their emotions, manage stress, and approach challenges with greater confidence and resilience. The session was widely regarded as insightful, motivational, and impactful, leaving students with a renewed perspective on success. Overall, **“Beyond Books: The Psychology of Success”** served as a meaningful and transformative experience, reinforcing the importance of psychological well-being and self-awareness as essential pillars for achieving holistic and sustained success.

4. The Inspiring Journey of Leading with Purpose

The poster is for an event titled "RECRUITMENT UNPLUGGED - EXPERIENTIAL SKILL LABORATORY". At the top, it features logos for SVCE (Sri Venkateswara College of Engineering) and ISTD (ISTD CHENNAI CHAPTER). Below the logos, it says "ISTD Student Chapter - SVCE". The main title "RECRUITMENT UNPLUGGED" is in large, bold, green letters, with the subtitle "- EXPERIENTIAL SKILL LABORATORY" in smaller blue letters below it. In the center is a circular portrait of a woman, Ms. Roopasri K, wearing a colorful sari. Below the portrait, her name "ROOPASRI K" is written in bold green letters, followed by "HR Executive, Tentacle Infotech" and "Online Lecture starts @ 09.30 AM". Ms. Roopasri K, HR Executive at Tentacle Infotech, Chennai

On 9th February 2026, the ISTD Chennai Chapter hosted an engaging session titled “**Recruitment Unplugged**”, designed to equip students with practical recruitment and career readiness skills relevant to today’s competitive job market. The event brought

together students and organizers under the guidance of **Ms. Roopasri K, HR Executive at Tentacle Infotech, Chennai**, who shared valuable industry perspectives on modern hiring practices. The session focused on bridging the gap between academic preparation and corporate expectations, emphasizing proactive networking, strong communication skills and a professional digital presence as essential components of career success.

The event commenced with an inaugural prayer rendered by Smrithi, a third-year EEE student, setting a focused and professional tone for the program. This was followed by opening remarks from Sriram A, President, who introduced the objectives and structure of the event. Dr. S. G. Bharathidasan provided an overview of ISTD's initiatives and highlighted the broader purpose of the program, **outlining the learning opportunities** planned across the two day event. Yuvasree R, Treasurer, formally introduced the guest speaker, Ms. Roopasri K, acknowledging her expertise in talent acquisition and setting the stage for the technical sessions that followed.

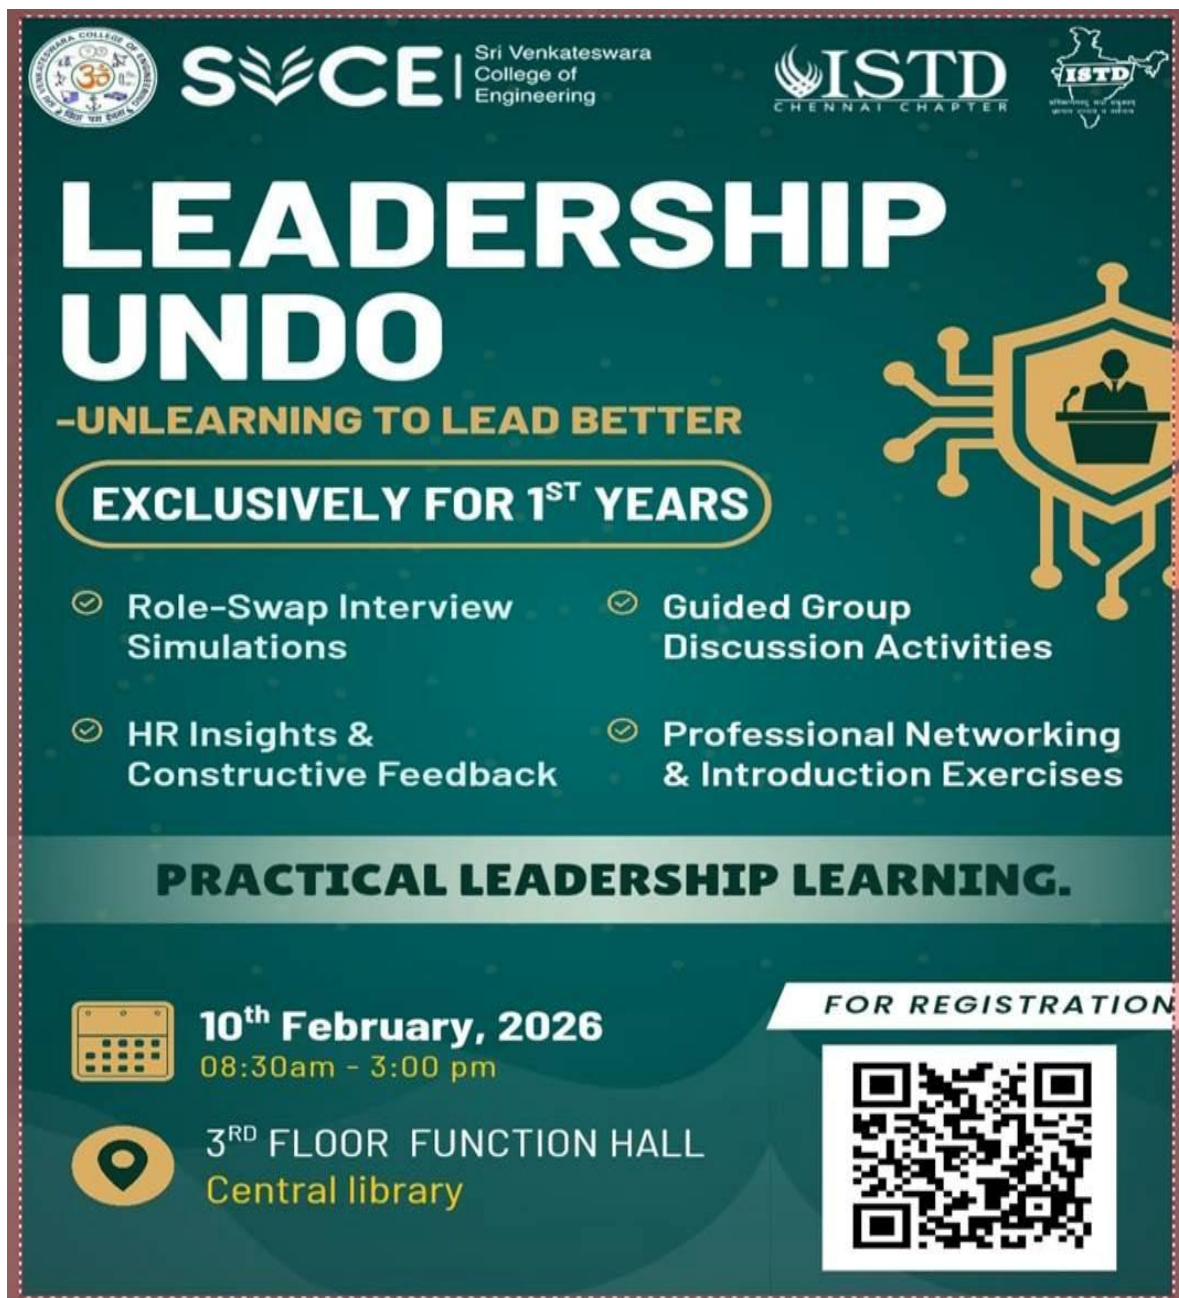

The core session delivered by Ms. Roopasri K focused on the **evolving nature of recruitment** and the importance of strategic networking and communication. She highlighted practical techniques such as creating strong first impressions, developing effective elevator pitches and building meaningful professional connections through structured follow-ups and digital platforms like LinkedIn. The discussion also emphasized group discussion mastery, encouraging participants to practice structured speaking, active listening and balanced participation while avoiding common behavioral pitfalls such as conversational dominance or passivity. Complementing this session, Dakxin Shaswath Haran Y, Joint Secretary, conducted a **technical overview on LinkedIn** profile optimization, explaining how students can transform their profiles from simple resumes into dynamic professional brands by strategically presenting skills, projects, and achievements relevant to their career goals.

The event also incorporated interactive experiential learning activities to reinforce the concepts discussed. One notable segment was the "Career Roulette" activity facilitated by Rasiga P, Event Executive, where participants were placed in simulated professional scenarios requiring quick decision-making and strategic thinking. The activity encouraged teams to reassess career plans and adapt to unexpected challenges, highlighting the importance of flexibility in professional growth. The session maintained strong engagement throughout, with participants appreciating the blend of expert insights, collaborative discussions and practical exercises. Overall, the **"Recruitment Unplugged"** session successfully demystified the recruitment process, equipping students with actionable strategies in networking, communication and digital branding while reinforcing the ISTD Chennai Chapter's commitment to preparing young professionals for evolving industry expectations.

Event Brochure- Leadership Undo -Unlearning to Lead Better

On 10th February 2026, the ISTD Chennai Chapter, in collaboration with Sri Venkateswara College of Engineering (SVCE), organized an engaging workshop titled **“Leadership Undo – Unlearning to Lead Better”** for first-year engineering students. The workshop aimed to help participants rethink conventional notions of leadership by encouraging them to unlearn ineffective habits and develop stronger communication, teamwork and decision-making skills. Through a combination of role-based

simulations, guided discussions and practical activities, the program provided students with an opportunity to explore leadership from multiple perspectives while strengthening their confidence and professional awareness.

The program included several knowledge oriented sessions designed to guide students in their academic and professional development. A LinkedIn profile evaluation session was conducted by Shanthosh, Event Executive of the Student Chapter, where participants received constructive feedback on building a strong digital professional presence. The session emphasized the importance of professional profile photographs, impactful headlines, effective summaries, and showcasing skills, certifications, and project achievements while also highlighting common mistakes students make while creating profiles. This was followed by an academic guidance talk delivered by Srinath S, General Secretary of the Student Chapter, who discussed strategies for effective learning, time management and preparation for postgraduate studies. Additional insights on international education opportunities were shared by Vandana Devi, Vice President, and Sriram A, President, who guided students on planning for higher education abroad, understanding entrance examinations, documentation requirements, and the advantages of global academic exposure.

A major highlight of the workshop was the interactive leadership activity titled **“The Undo Button,”** coordinated by Ashish Jude, Department Coordinator of the Student Chapter. In this activity, participants were divided into teams and presented with real-world scenarios involving project failures or team conflicts. Instead of directly proposing solutions, students were encouraged to analyze the root causes behind the failures, identify leadership gaps, evaluate communication breakdowns, and redesign improved strategies emphasizing accountability, collaboration, and empathy. Complementing this exercise was the **Leadership Communication Studio**, which consisted of creative rounds such as “Say It Without Saying It,” “Audience Decoder,” “Emotion Switch,” and “Communication Post-Mortem.” Facilitated by Prem Kumar, Outreach Executive and Kaviya, Department Coordinator, these sessions enabled students to practice adapting messages for different audiences, understand the role of emotional tone in communication, and develop greater awareness of body language, clarity, and audience perception.

The workshop maintained a high level of enthusiasm and participation throughout the day, with students actively engaging in discussions, collaborative activities, and reflective exercises. Participants appreciated the experiential learning format, noting that the interactive approach helped them understand leadership concepts in a practical and relatable manner. The program concluded with a valedictory session and a Vote of Thanks delivered by Sri Ramana Kishore K, Content Executive of the Student Chapter,

expressing appreciation to the speakers, coordinators, volunteers, and participants for their valuable contributions. Overall, the workshop successfully reinforced leadership awareness, communication effectiveness, and career readiness among the students, making it a meaningful and impactful learning experience that supported both their personal and

Student Chapter Core Executive Members Sessions

Mr. Prabhath Nirbhay, Founder & Director, Flipcarbon Integrated Solutions Pvt. Ltd.

The **ISTD Chennai Chapter** conducted its **July 2025 Virtual Monthly Meeting** featuring an insightful session titled “*Transcendental Leadership and Breakthrough Innovation.*” The session was delivered by **Mr. Prabhath Nirbhay, Founder & Director of Flipcarbon Integrated Solutions Pvt. Ltd.**

In his engaging talk, Mr. Nirbhay shared perspectives on leadership that go beyond

traditional management practices. He emphasized the importance of **purpose-driven leadership, self-awareness, and emotional intelligence**, explaining how these qualities help leaders build resilient and people-centred organisations. The session encouraged participants to view leadership as a journey of continuous learning and conscious decision-making.

The speaker also highlighted the role of **breakthrough innovation** in today's rapidly changing business environment. He explained how organizations can encourage innovation by promoting open thinking, empowering teams, and challenging conventional approaches to problem-solving. Through real-world examples and practical insights, he illustrated how leaders can create environments where creativity and experimentation lead to meaningful progress.

Mr. Nirbhay further spoke about the importance of **organizational agility**, encouraging leaders to build cultures where learning from failure and adapting to change are seen as opportunities for growth. His reflections on **inner leadership and clarity of purpose** helped participants understand how personal awareness can shape stronger leadership and impactful decision-making.

The session attracted professionals from **Human Resources, Learning & Development, and business strategy**, along with student observers. Participants appreciated the speaker's thought-provoking ideas and interactive approach, which encouraged reflection on new leadership perspectives in today's evolving workplace.

Overall, the session inspired attendees to rethink leadership through the lens of **purpose, innovation, and transformation**, reinforcing the ISTD Chennai Chapter's commitment to promoting meaningful professional learning and dialogue.

2. Personal Excellence, Can Be Fun!

Mr. SQN LDR Unni Nair, Former Forces Officer and Founder, Excel.

The ISTD Chennai Chapter conducted its August 2025 Monthly Meeting at Hotel Savera, featuring an engaging session titled “*Personal Excellence, Can Be Fun!*” delivered by **Mr. SQN LDR Unni Nair, Former Forces Officer and Founder of Excel**. The event brought together professionals from Human Resources, Learning & Development, and business strategy, along with several student observers, creating a meaningful platform for learning and interaction.

Through an energetic and engaging presentation style, Mr. Unni Nair encouraged participants to recognize their individual strengths and develop a mindset focused on continuous personal growth. During the session, he introduced the concept of **multiple intelligences**, explaining that individuals possess different abilities that influence the way they learn, think, and work. He discussed nine types of intelligence—Linguistic,

Logical–Mathematical, Musical, Bodily–Kinesthetic, Spatial, Interpersonal, Intrapersonal, Naturalistic, and Existential—helping participants understand how these strengths contribute to both personal and professional excellence.

He also highlighted the **three key pillars of success: Purpose, Passion, and Perseverance**, encouraging participants to align their goals with their strengths and remain committed to achieving them. The session was lively and interactive, with activities such as singing and movement exercises that kept the audience actively involved and created a positive learning atmosphere.

Participants appreciated how the ideas were connected to everyday life and workplace situations, making the insights practical and easy to relate to. The event also provided opportunities for networking and discussions among participants, followed by a formal dinner at the venue. The meeting concluded with closing remarks by **Ms. S. Rajalakshmi, Chairperson, ISTD Chennai Chapter**, who thanked the speaker and encouraged participants to continue striving for excellence in both their personal and professional lives.

Mr. SQN LDR Unni Nair, Former Forces Officer and Founder, Excel.

3. The Future of Work in GCCs: Reskilling, Culture and Leadership

Mr. P. Kaniappan, Head – Counselling & Assessment, Indian Foundation for Quality Management, and Mr. Sudhakar Sethuraman, Partner, Deloitte India.

The ISTD Chennai Chapter hosted its **September 2025 Monthly Meeting** at Hotel Savera on the theme *“The Future of Work in Global Capability Centres (GCCs): Reskilling, Culture and Leadership.”* The session featured talks by **Mr. P. Kaniappan, Head – Counselling & Assessment, Indian Foundation for Quality Management, and Mr. Sudhakar Sethuraman, Partner, Deloitte India**, bringing together professionals and members for an engaging discussion on the evolving GCC landscape. The speakers highlighted the rapid growth of GCCs in India, which currently host over **1,700 centres employing around 2.6 million professionals and generating nearly \$71 billion in revenue**. They discussed how GCCs are evolving from service centres into strategic capability hubs that drive innovation, digital transformation, and global

business impact.

In his session, **Mr. P. Kaniappan** emphasized the importance of **organizational culture, reskilling, and leadership development**, highlighting the need for organizations to identify skill gaps and invest in continuous learning. **Mr. Sudhakar Sethuraman** shared insights on how GCCs are moving toward technology enablement and innovation, with emerging technologies such as **AI, analytics, IoT, and digitalisation** reshaping talent needs and opportunities.

Participants appreciated the practical insights shared by the speakers, which helped them better understand the evolving GCC landscape. The event also provided opportunities for networking among members, followed by Hi-Tea and dinner, concluding the meeting on a positive note.

Mr. P. Kaniappan, Head – Counselling & Assessment, Indian Foundation for Quality Management, and Mr. Sudhakar Sethuraman, Partner, Deloitte India.

The **ISTD Chennai Chapter** organized its **One-Day Conference 2025** on the theme *“Redefining Future Talent – Empower, Evolve, Excel: Shaping Talent for Tomorrow”* at the Madras Management Association, Chennai. The conference brought together HR leaders, academicians, industry experts, and student participants to discuss how organizations can prepare a future-ready workforce in an era shaped by artificial intelligence, automation, and global transformation.

The event began with a **welcome address by Ms. Rajalakshmi Subramanian, Chairperson, ISTD Chennai Chapter**, who highlighted the importance of continuous learning and professional development in the evolving world of work.

The **keynote address** was delivered by **Mr. Arun Leslie George, President & CHRO, Coromandel International Ltd.**, who spoke about building a future-ready workforce. He emphasized that adaptability, innovation, emotional intelligence, and continuous learning are essential skills for professionals in a rapidly changing business environment.

A **special address by Mr. Satish Rajarathnam, Head – People & Culture, Myridius**, focused on the evolution of people management and the need for purpose-driven and human-centered organizations. **Prof. Dr. Zakkariya K. A., Regional Vice President, ISTD South Region**, delivered the **Guest of Honour address**, highlighting the importance of lifelong learning and ethical leadership in shaping future talent.

The conference featured several engaging **panel discussions** on topics such as **reskilling and upskilling in the age of AI, industry–academia collaboration, and diversity, equity, and inclusion (DEI)**. Industry experts shared valuable perspectives on how organizations can adapt to technological change while nurturing inclusive and innovative workplaces.

One of the most interactive sessions was conducted by **Sqn Ldr Unni Nair, Former Armed Forces Officer and Founder of Excel**, who led an energetic session titled *“Fun, Focus, and Future Readiness.”* Through team activities and real-life examples from military training, he highlighted the importance of teamwork, discipline, resilience, and the **3 P’s of success—Purpose, Passion, and Perseverance**.

The conference concluded with an inspiring session by **Mrs. Latha Pandiarajan, Co-Founder, CIEL HR & Ma Foi Group**, who shared her entrepreneurial journey and encouraged participants to embrace change, continuous learning, and adaptability in their careers.

Overall, the conference provided valuable insights on the **future of work, leadership, reskilling, and innovation**, while also offering opportunities for meaningful networking and knowledge sharing. The event concluded with closing remarks by **Ms.**

Rajalakshmi Subramanian, who thanked all speakers and participants for making the conference a successful and enriching experience.’

5.TITLE: From Vision to Growth A Leadership Perspective

Event Brochure-Monthly meeting- November 2025

On 7th November 2025, the ISTD Chennai Chapter hosted its monthly meeting, featuring a keynote session by **Mr. Murali Vaidyanathan, President of Automotive Wheels India Ltd**. The session provided participants with a strategic roadmap for navigating the accelerating technological disruptions of the coming decade while maintaining a people centric approach to leadership. The event commenced with a warm welcome by the Chapter Chairman, who acknowledged the presence of esteemed members, guests and the distinguished speaker, setting a professional and engaging tone for the evening.

During the session, Mr. Vaidyanathan presented a comparative analysis of global technological trends, reflecting on the past decade's drivers, including digital payment ecosystems, the rise of cloud computing and the expansion of the sharing economy and projecting the next decade's **“hyper disruptions”** such as advanced artificial intelligence, full integration of Industry 4.0, exponential growth of the Internet of Things and the commercialization of autonomous vehicles. He outlined seven organizational pressures, including volatile regulations, compressed product life cycles, rapid automation, workforce transformation, talent scarcity, demographic volatility and persistent technological disruptions, demonstrating their impact on HR, planning,

production functions and emphasizing that leaders must embed flexibility into their strategic frameworks to remain effective.

Mr. Vaidyanathan also highlighted the evolution of leadership paradigms, contrasting traditional internal, command and control approaches with **forward thinking, globally oriented, innovation-led, coaching and purpose driven leadership** that prioritizes people and adaptability. He stressed the importance of early talent identification and fostering team cohesion, with a particular focus on India's opportunities for economic growth and digital expansion, while cautioning about external risks including global slowdowns, climate challenges and geopolitical uncertainties. The keynote offered both conceptual perspectives and practical tools, enabling participants to align organizational strategy with human centric values and navigate complex disruptions effectively.

The engaging presentation was followed by an interactive discussion where participants shared their insights, experiences and questions, reinforcing the practical relevance of the frameworks presented. The meeting concluded with expressions of gratitude to the speaker and a Vote of Thanks, encouraging members to integrate the lessons learned into their professional practices. Overall, the monthly meeting provided a valuable platform for professional development, reflection and networking and Mr. Vaidyanathan's keynote session equipped participants with actionable strategies to thrive in an era of rapid technological change while remaining grounded in human centric leadership.

Event Brochure-Monthly meeting- December 2025

On 5th December 2025, the ISTD Chennai Chapter organized a virtual wellness session titled **“Blueprint for Daily Health”**, conducted from 7:00 pm to 8:30 pm. The session was led by Dr. Raghul S, Public Health Specialist from the Port Health Organisation (PHO), Chennai and focused on promoting simple, practical habits for maintaining physical health and emotional well-being. The event aimed to encourage participants to adopt sustainable lifestyle practices by emphasizing that good health is built through consistent daily actions rather than occasional efforts.

The session commenced with Dr. Raghul highlighting the importance of small, manageable habits in achieving long-term wellness. He introduced key practices such

as starting the day with hydration and light stretching to activate the body, maintaining a balanced diet rich in natural foods, and engaging in at least 30 minutes of daily physical activity to improve overall fitness and reduce stress. He also stressed the importance of proper hydration and personal hygiene, explaining how these basic habits contribute significantly to immunity, energy levels and overall well-being. Through clear and relatable explanations, he encouraged participants to integrate these practices into their daily routines regardless of their lifestyle or schedule.

Building on these fundamentals, Dr. Raghul addressed the importance of mental and emotional health in today's fast-paced environment. He emphasized the need to take regular breaks from prolonged screen time to reduce fatigue and improve focus, while also recommending mindfulness practices such as meditation and deep breathing to manage stress and enhance mental clarity. He highlighted the significance of quality sleep, noting that 7–8 hours of rest is essential for physical recovery and emotional stability. Additionally, he encouraged participants to engage in hobbies and relaxation activities to maintain balance and advised avoiding unhealthy habits such as excessive junk food, smoking, and overconsumption of caffeine, which can negatively impact long-term health.

The session was well received by participants, who found the content practical, relatable, and easy to implement. Many appreciated the speaker's ability to simplify everyday actions into meaningful health practices, making wellness feel achievable through small, consistent changes. The interactive and engaging nature of the session motivated attendees to reflect on their current lifestyles and adopt healthier routines. Overall, the **“Blueprint for Daily Health”** session served as a valuable reminder that sustainable well-being lies in mindful daily habits, reinforcing the ISTD Chennai Chapter's commitment to promoting holistic personal and professional development.

Event Brochure – “Thrive 360: Health & Energy Reset”

On 23rd December 2025, the ISTD Chennai Chapter successfully organized the Health & Wellness Conference 2025, titled “**Thrive 360: Health & Energy Reset,**” at the Madras Management Association (MMA), Chennai. The conference brought together distinguished healthcare and wellness experts with the shared objective of promoting holistic well being in today’s fast paced professional and personal environments. The event aimed to provide participants with actionable insights on preventive healthcare, balanced nutrition, lifestyle management and mental wellness,

emphasizing practical strategies that could be integrated into daily routines to enhance both physical vitality and emotional resilience.

The conference commenced with a keynote address by **Dr. Kanimozhi NVN Somu**, who underscored the importance of preventive healthcare and women's health awareness, encouraging participants to prioritize regular check-ups and early intervention. **Dr. Saravanan Manoharan**, Senior Consultant in Orthopaedics, shared guidance on maintaining bone and joint health in increasingly sedentary work environments, emphasizing proper posture, regular exercise and active living. The session by **Shiny Surendran**, Sports and Preventive Health Dietitian, focused on nutrition's role in sustained energy and immunity, highlighting balanced meals, hydration, and mindful eating. **Dr. Mathangi DC**, Professor and Head of Mind Body Medicine and Lifestyle Sciences, addressed mental and emotional well-being, introducing practical techniques for stress management, mindfulness and emotional resilience. The program also featured **Dr. Praveen Ravishankaran**, Consultant Surgical Oncologist, who emphasized early detection, cancer awareness and the importance of routine screenings and proactive healthcare decisions.

The conference witnessed enthusiastic participation from members, working professionals, and wellness advocates, fostering a collaborative and engaging environment. Attendees actively interacted with the experts, asking questions and gaining personalized guidance, which enhanced the practical relevance of the sessions. Participants appreciated the focus on preventive healthcare, balanced nutrition, mental well-being and lifestyle management, noting that the discussions offered realistic and actionable strategies for integrating healthy practices into demanding professional lives. The interactive format encouraged reflection on personal habits and motivated attendees to adopt sustainable wellness practices that support long-term health and energy.

Overall, the “**Thrive 360: Health & Energy Reset**” Conference successfully reinforced the ISTD Chennai Chapter's commitment to holistic personal and professional well-being. Through insightful presentations and interactive discussions, the event emphasized the value of preventive healthcare, mental wellness, balanced nutrition, and active living. Participants left with renewed awareness, practical strategies, and a strengthened motivation to implement consistent, sustainable health practices, making the conference both educational and personally impactful.

Event Brochure- “The Inspiring Journey of Leading with Purpose”

On 30th January 2026, the ISTD Chennai Chapter conducted its monthly meeting at the Madras Management Association, Chennai, on the theme **“The Inspiring Journey of Leading with Purpose.”** The session brought together members for an enriching evening focused on purposeful leadership, values-driven decision-making and the evolving role of leaders in today’s dynamic environment. The event featured three distinguished speakers **Mr. Ananthaseshan Narayanan**, Independent Business Sherpa and former Managing Director of Carborundum Universal Limited; **Ms. Usha**

Subramaniam, Country President of Grundfos Pumps India Pvt. Ltd.; and **Mr. Vijay Venkatesh**, Delivery Head Product Engineering, Myridius each sharing unique insights and experiences while emphasizing the central theme that leadership rooted in purpose creates lasting impact.

The session commenced with a warm welcome by Thamizh Selvan, Pre-Final Year student of SVCE and ISTD Joint Secretary, who set the tone for the evening by highlighting the importance of leading with clarity and intention. **Mr. Ananthaseshan Narayanan** reflected on his extensive leadership journey, particularly during his tenure at Carborundum Universal Limited, and emphasized the **value of self-awareness**, embracing challenges as opportunities for growth and remaining anchored to one's purpose during periods of organizational transformation. Through relatable anecdotes, he illustrated that effective leadership goes beyond authority, requiring continuous learning, adaptability and authentic inspiration of teams.

Ms. Usha Subramaniam provided a perspective on values-based leadership, underscoring that leadership extends beyond designation and hierarchy, encompassing responsibility, ethics and people-centric thinking. She highlighted the role of integrity in decision-making, the importance of building trust through consistent actions and the alignment of organizational objectives with meaningful purpose. **Mr. Vijay Venkatesh** shared insights from a practitioner's viewpoint, emphasizing how purpose-driven leadership drives team engagement, strengthens accountability and ensures that personal values align with organizational goals. Together, the speakers reinforced that communicating purpose clearly enhances team motivation, ownership and performance.

The session was marked by active engagement and thoughtful interaction, with participants reflecting on their own leadership journeys, the role of values in professional decisions and the influence of purpose on team dynamics. The informal networking segment allowed attendees to exchange perspectives and build professional connections in a relaxed setting, further enhancing the experience. The meeting concluded with expressions of gratitude to the speakers, formal recognition by the ISTD Office Bearers and a Vote of Thanks delivered by Ms. Anu, ISTD Member. The session ended at 8:40 PM with a group photograph, leaving participants inspired and equipped with practical insights to lead with purpose in their professional lives.

SVCE Student Chapter (Students and Faculty Members) at Monthly Meeting

KEY ACCOMPLISHMENTS

1. Student Induction Programme: Welcoming the Batch of 2025–26

As part of the Student Induction Programme for the academic year 2025–26, the ISTD Student Chapter, Sri Venkateswara College of Engineering (SVCE), organized an interactive awareness session titled **“Explore, Learn, and Grow Together”** on **8 September 2025 and 16 September 2025** for the newly admitted first-year students. The programme was conducted to introduce freshers to the Indian Society for Training and Development (ISTD), familiarize them with the opportunities offered by the Student Chapter, and encourage their active participation in professional and personal development initiatives throughout their academic journey.

The session was conducted by **Mr. Sriram A, President, Ms. Vandhanaa Devi, Vice President, and Mr. Thamizh Selvan A, Joint Secretary** of the ISTD Student Chapter – SVCE. Through an engaging presentation and interactive discussions, the student leaders warmly welcomed the incoming batch and provided an overview of the chapter's vision, mission, objectives, and achievements. They shared their experiences as student leaders and highlighted how involvement in chapter activities contributes to the development of communication, leadership, teamwork, event management, and networking skills.

The programme introduced students to the structure and functioning of the ISTD Student Chapter, its various activities, membership benefits, and opportunities for involvement in workshops, seminars, industrial interactions, leadership programmes, cultural events, and skill-development initiatives. The speakers emphasized the importance of holistic growth beyond academics and encouraged students to make effective use of the platform provided by ISTD to enhance their competencies and prepare for future professional challenges.

The sessions witnessed enthusiastic participation from the freshers, who actively engaged in discussions and sought clarification regarding chapter activities, membership opportunities, and leadership pathways. The interactive nature of the programme fostered a positive connection between the Executive Committee and the incoming batch, creating an environment of curiosity, engagement, and motivation.

A major highlight of the induction programme was the overwhelming response received from the students. A total of **341 students enrolled as General Members of the ISTD Student Chapter**, making it the **highest membership registration achieved by the chapter in the last three academic years**. This remarkable achievement reflects the growing reputation and impact of the chapter among students and demonstrates the effectiveness of the induction programme in communicating the value of ISTD

membership.

Overall, the Student Induction Programme successfully welcomed the 2025–26 fresher batch into the ISTD community, strengthened student engagement, and laid a strong foundation for future participation in chapter activities. The addition of 341 new General Members marks a significant milestone in the chapter's journey and reinforces its commitment to fostering leadership, professional development, and lifelong learning among students.

Student Chapter Executive Core Members interaction with Freshers (2025-26)

2. Highways 2025 – Student Cultural Engagement Programme
“Who’s the Sus”

On 9th April 2026, the ISTD Chennai Chapter, in collaboration with the SVCE Student Chapter, successfully organized an engaging event titled “Who’s the Sus?” The event was designed to develop participants’ analytical thinking, logical reasoning, and decision-making skills through an interactive case-based investigation format.

The event was led by **Mr. Santhosh** and **Ms. Rasiga**, Event Executives of the ISTD SVCE Student Chapter, along with the dedicated support of the organizing team comprising **Mr. Ramana**, **Mr. Kishore**, **Mr. Sudharsan**, and **Ms. Mahathi**. Their collective efforts ensured the smooth planning and successful execution of the event.

The event commenced with introductory and fun-filled activities that helped participants engage actively and prepare for the competitive rounds ahead. Based on their performance, participants were shortlisted for the main rounds of the event.

The first round involved a detailed case analysis session where participants were provided with a case file containing a crime scenario and multiple suspects. Participants were given ten minutes to carefully examine the case, interact with the suspects by asking relevant questions, analyze the information provided, and identify the correct suspect. They were also required to justify their conclusions with clear and logical reasoning. This round tested observation skills, critical thinking, and the ability to evaluate evidence effectively under time constraints.

Building on the challenge of the first round, the second round introduced more complex case scenarios with a reduced time limit of six minutes. Participants were expected to quickly assess the situation, identify contradictions, interpret clues, and arrive at accurate conclusions. This round emphasized problem-solving under pressure, time management, and advanced analytical reasoning.

Throughout the event, participants demonstrated impressive levels of engagement and enthusiasm. The realistic case scenarios encouraged active discussions and debates, allowing students to confidently defend their conclusions and reasoning. The interactive format created an intellectually stimulating environment where participants learned to approach problems systematically and think critically.

The evaluation process focused on the accuracy of conclusions, logical consistency, interpretation of evidence, identification of contradictions, and the clarity with which participants explained their reasoning. These criteria ensured a fair assessment of both analytical ability and communication skills.

The event provided significant learning outcomes by enhancing participants' critical thinking, decision-making, investigative reasoning, and problem-solving capabilities. It also helped students develop confidence in handling complex situations and making informed judgments based on available evidence.

Overall, **“Who’s the Sus?”** was a highly successful and impactful event that combined learning with engagement. The event served as an excellent platform for experiential learning, enabling participants to strengthen their analytical and investigative skills while fostering curiosity, teamwork, and logical thinking. The positive response from participants reflected the event’s effectiveness in creating a meaningful and memorable learning experience.

“Money Moves: Life in Your Hands”

On 10th April 2026, the ISTD Chennai Chapter, as part of Highways '26, conducted **“Money Moves: Life in Your Hands,”** an interactive finance-themed event aimed at enhancing students’ understanding of personal finance, budgeting, and decision-making through a simulation-based learning experience.

Participants were assigned unique financial profiles comprising income, loans, debts, bonuses, and personal responsibilities. In the first round, they navigated a simulated economy, managing expenses while responding to unexpected life events such as medical emergencies, job loss, marriage, and financial windfalls. The activity encouraged strategic thinking, financial planning, and effective resource management. To support the event, a dedicated website was developed by **Mr. Thamizh Selvan, Joint Secretary, ISTD SVCE Student Chapter**, providing participants with easy access to event information and updates.

The second round featured an interview-based assessment where participants demonstrated their financial awareness, problem-solving abilities, and decision-making skills through real-life financial scenarios.

The event witnessed enthusiastic participation and provided valuable insights into budgeting, savings, risk management, and financial responsibility. **Team Straw Hats** emerged as the Winners, while **Team Vidamuyarchi** secured the Runner-Up position. Overall, the event successfully combined experiential learning with financial literacy, equipping students with practical money management skills and fostering informed financial decision-making.

“Money Moves – Life in your hand”**

MILESTONES

1. Membership Growth and Student Induction

Successfully inducted **341 new General Members** from the 2025–26 batch through a dedicated induction programme, significantly strengthening student engagement and expanding the chapter's reach. With this addition, the ISTD SVCE Student Chapter now comprises **over 600 General Members**, reflecting its growing impact and popularity among students. The induction programme also served as a platform to familiarize students with the chapter's vision, activities, and opportunities for career growth in both professional and personal development.

2. Professional Exposure Through Conferences

Achieved a significant milestone through active participation in professional conferences, enabling members to interact with industry experts, academicians, and professionals. These experiences enhanced students' exposure to emerging trends, professional practices, and networking opportunities beyond the classroom.

3. Personality and Character Development Initiative

Provided Personality and Character Development Certificates to student chapter members who actively participated in developmental activities. The initiative recognized their commitment to personal growth, professional excellence, leadership development, and continuous learning, while highlighting the contribution of the student executive team in fostering a culture of self-improvement.

4. Strengthening Leadership and Learning

Through its various initiatives, the chapter continued to promote leadership, teamwork, communication, and professional development among its members. A distinctive achievement of the chapter has been its student-led approach, where activities were conceptualized, planned, and executed by students themselves. This model created a dynamic platform for peer learning, training, and development, empowering members to gain practical leadership experience while contributing to the growth and success of fellow students.
